SERMS

Attn: Bruna Bertucci
Via Pentima Bassa 21
TR 05100 Terni Italy

Dear Bruna:

Enclosed you will find several award certificates for the outstanding work that SERMS provided to NASA for the AMS STA Vacuum Case / Cold Mass Replica sine sweep test. The awards include the following participants:

Antonio Alvino
Bruna Bertucci
Sauro Bizzaglia
Serena Borsini
Vincenzo Cascioli
Elisa Laudi
Stefano Lucidi
Lucia Di Masso
Vasile Postolache
Pablo Scarabottini
Gianluca Scolieri

The award reads, "Congratulations on completing the AMS Vacuum Case and Cold Mass Replica sine sweep test. This complex test required the dedication and support of a large group of skilled personnel from across the AMS Collaboration. Thanks to your efforts, the AMS program has successfully completed our most complicated safety verification test. I am extremely proud of this work, but more importantly, of this outstanding team!"

Again, thank you for the support that SERMS provided for this test.

Sincerely,
